

# 19th July Newsletter

## Message from Headteacher

This school year is flying to an end. Next week, we will send our final newsletter for 2023/24.

Thank you to all of the parents, carers and family members who have joined us this week for activities including the Year five sports afternoon, the Singalong Shinealong and school market on Thursday and the Leavers' Service on Wednesday.

### School Report Evaluations

You may have noticed that we have increased how often we ask families for feedback about the work of our school. We are keen to ensure that we have the opinions of and feedback from everyone when we evaluate what we do.

If you have not already done so, please return your school report evaluation form by the end of the day on Monday 22nd July. Thank to everyone who has already returned the form - we have had lots back so far!

**A copy of the report evaluation will go into your child's Shine Folder for future enjoyment. The Shine Folders will provide a wonderful record of your child's achievements as they progress through our school.**

We also have a prize draw for parents/carers who have returned the form. One lucky winner will receive a £20 gift card if your form is drawn out on Tuesday next week. The class which has had the most evaluation forms returned will also be rewarded with ice lollies one day next week.

### Lost property

We have a black watch which has gone missing in school. It is black with a black strap. It looks a little bit like an Apple watch. It was lost about ten days ago. If your child has picked it up and brought it home by mistake, please can you send it back into school so it can be returned to its rightful owner. Thank you.

## Clubs Evaluation

We have launched a survey to help us to evaluate our after-school clubs. If your child has attended, or particularly enjoyed an after-school club, please leave a comment.

The survey can be accessed on the Surveys section of School Spider.

The survey will be open until Friday 26th July.

## Thank you

Thank you to families who have sent in flowers, gifts and cards for staff in school. We are always overwhelmed by your generosity. We understand that finances are tighter and tighter on a personal level, as well as at school level. Please do not feel gifts are expected. We are all absolutely more than happy with a hand-drawn picture or card from your child.

## Story Shack, Uniform Union & Community Clothes Cabin

Our Story Shack and Uniform Union will be accessible during the summer break.

Please feel free to use the Story Shack to borrow books and games to keep your child busy during the summer. All we ask is that items are returned in good condition for another family to use in the future.

Any pre-loved uniform, including uniform donations from Year six leavers, would be gratefully received. We are pleased to receive any uniform, PE kit, trainers, wellies or school shoes which could be used again by other families.

Any donations may be handed in at the school office or left outside the front door of school during the holiday period.

A huge thank you again to the volunteers who support us in helping to keep the Story Shack, Uniform Union and the Community Clothes Cabin so well organised.

# Introducing Marvellous Makers! Summer Reading Challenge 2024

The Summer Reading Challenge is the exciting and free annual promotion of books and reading for all children, taking place in all Cheshire West and Chester Libraries. Children get a collector's pack, stickers along the way and a medal and certificate when they have read 6 books. Children love it and it's a great way to encourage them to keep their reading up over the holidays. There is a Mini Challenge for the Under 4s. It's easy to join too: just ask at your local library or join online via [www.cheshirewestandchester.gov.uk/read](http://www.cheshirewestandchester.gov.uk/read).

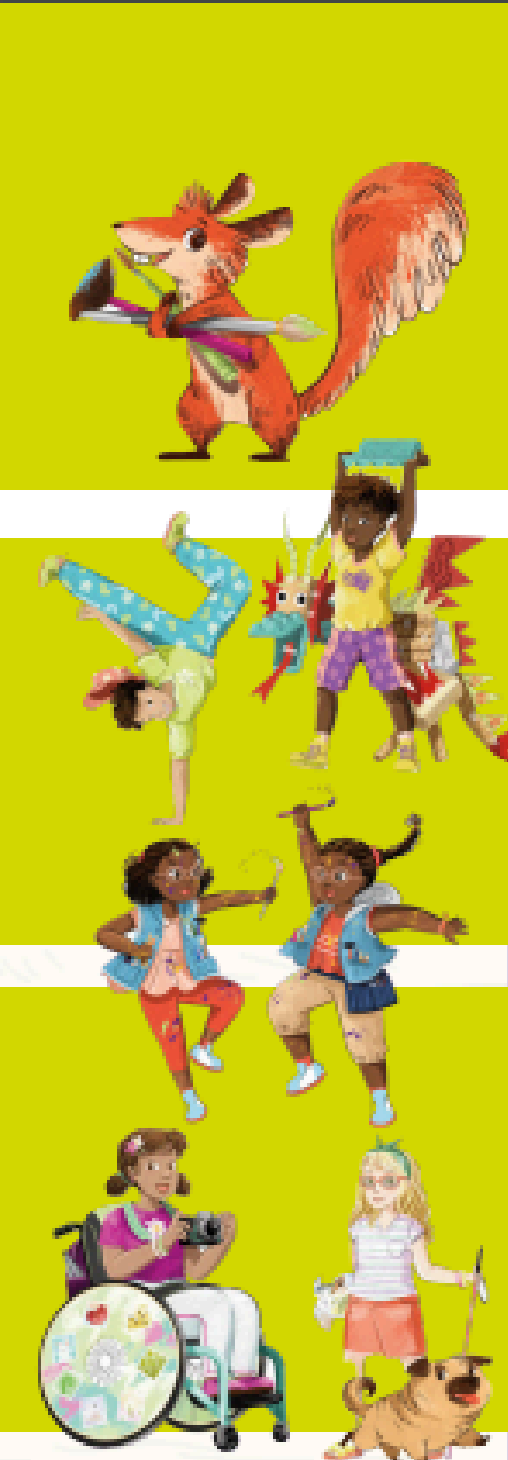

This year's theme, Marvellous Makers, will inspire children's inner storytellers, motivating them to be curious and to tell their own stories through various creative outlets. Reading sparks imagination and creativity, helping to expose children to new ideas, perspectives, and experiences that fire up their minds. There will be free events such as fun experiments and animal handling. More details about the events will be available in relevant libraries and online.

The Challenge takes place from **Saturday 6 July** until the end of the school holidays on **Sunday 1 September**.

It's free to join and use the library. No identification or proof of address is needed to join. Members can borrow books and return at any library. There are no late charges for the Under 13s.

Free Wi-Fi is available, and it is also free to use the library computers for one hour per day. Printing is available. Books and eAudiobooks are available for free via [www.borrowbox.com](http://www.borrowbox.com), eMagazines are available via the "Libby, by Overdrive" app and eResources are available via the Libraries website [www.cheshirewestandchester.gov.uk/libraries](http://www.cheshirewestandchester.gov.uk/libraries).
