Message from Headteacher

Thank you for returning your children to school looking so smart. It was been wonderful to welcome them back to school this week and everyone seems to have readjusted back into the routine of school life!

A huge welcome to our new pupils in Reception and other classes at the start of this academic year. It is great to have you join us at Hoole and I hope that you and your families will feel at home in our school family. Our youngest learners seem to have settled in well so far. It has been joyful to see them enjoying their new surroundings and eating lunch with their friends in the school hall! If you have any questions about any aspect of school life this year, please contact your child's class teacher or speak to staff in the school office.

Let's Celebrate!!

We are already celebrating our first success of this school year and we have not even started our second week back after the summer break!

Our school has attained the **Platinum School Sports Award** for our commitment and innovation in sport during the last academic year. This is a fantastic achievement as the Platinum level is the highest level that can be attained. We held the Gold level for many years before progressing to Platinum.

The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

Message from Headteacher

Children at Hoole CE Primary have enjoyed a thrilling year of sport. Sporting achievements this year include every child participating in swimming and water safety lessons free of charge and an increased number of children representing the school in tournaments and fixtures against other schools. Every single child at Hoole took part in an intra-school sports competition and the school's highly successful clubs programme has also flourished. In fact, the range of after school sports activities and clubs was increased in response to children's suggestions for new and diverse sports opportunities. Reception and Year 6 children completed bikeability courses and balance bike training.

The icing on the cake was the Olympic celebrations. During our Olympic Fortnight, pupils enjoyed visits from an Olympic Gold medallist and a Paralympian athlete, as well as other sports specialists in fields such as martial arts.

Thank you to Mrs Millington, our PE & Sports Leader, and all of the staff who have enabled us to offer such an exciting programme of sports clubs and experiences over the last year.

Congratulations

Our school staff never stop learning! Congratulations to Mrs King and Mrs Jeffs who have successfully attained national qualifications over the summer.

Mrs King has been awarded the National Professional Qualification for Senior Leadership and Mrs Jeffs has attained the National Professional Qualification for Early Years Leadership.

We are so proud of them and the example they set to our pupils by working hard, persevering and shining very brightly!

Jewellery

I have noticed some children coming into school this week wearing jewellery. I am sure that this is because pupils have enjoyed wearing it over the summer. Please may I ask for parent/carer cooperation in ensuring that children do not wear necklaces, bracelets, rings or other jewellery apart from a watch and stud earrings. Smartwatches which have the function to take photographs or make voice or video recordings are also not permitted for safeguarding and security reasons.

Bikes and Scooters

Please may I respectfully request that parents/carers ensure that their children come off their bikes or scooters when they enter the school site.

It is so busy at the start and end of the school day. Please ask your child to walk with their bike or scooter, rather than riding, on this school site. Thanks for your help in making sure we have no accidents.

So many children let their lights shine over the summer holidays by completing the Cheshire Library Summer Reading Challenge - what a fantastic effort!

Well done everyone - your determination, enthusiasm and perseverance blows our socks off!

Autumn Term Clubs

We are delighted to announce our after school clubs and activities for the Autumn Term. We hope that your child will find something to enjoy in the range of clubs we are offering. Clubs are being offered by school staff and in partnership with external providers.

Free clubs run by school staff are now available to book on School Spider.

Please book your child's club by logging onto the school website/school spider and filling in the relevant club registration form. Please be aware that places are limited and available on a first come, first served basis, so ensure you book as soon as possible to secure your child's place.

Please note that the **Choir Club** is all year-long commitment due to the rehearsal for performances involved. You will **not** need to rebook each term.

Please also let the School Office know if your child registers and then changes their mind so that we can pass the place onto another child.

If you have forgotten your password for the school website, please click on the forgotten password option to reset it.

Clubs run by external providers - charges apply

These clubs are available to book now. Emails of how to register for most clubs were sent out at the end of the summer term. Copies of the club emails can be found on the school website, www.hooleceprimary.co.uk/page/clubs.

Letters for PK Sports Clubs (Y3-4 Football/Y4-6 Dodgeball), AmaSing Club and Streetdance Club can be collected from the School Office when we return to school.
