New development on our playground

You will be aware that our school vision is “Let your light shine” (Matthew 5:16). Every decision made at our school is reflected on in the light of this vision, our Christian ethos and our aim for pupils to become tolerant, responsible and reflective citizens who contribute to their community and the wider world.

We have had an exciting new installation over the summer. On our playground, we have added a very special cabin.

This cabin, which is due to be named by children in a special vote overseen by House of Hoole, will become a very special space which supports our school family.

The cabin will be a space enhances opportunities for quiet reflection and pupils’ spiritual engagement. It will be a place where children can enjoy peace, enjoy calm contemplation and prayer.

I am so grateful to Mrs Inns, our RE Leader, who has worked hard to make this area such an engaging and welcoming facility for our children. Our Ethos Ambassadors are geared up to support the smooth running of this initiative. Like all of our busy and proactive forums led by pupils at our school, I know they will do a wonderful job.

Calpol medication

Parents/carers will be aware that we can administer Calpol in school if needed provided that families have authorised this.

Please may I request that parents/carers ensure that children do not bring Calpol tablets into school in their pockets. Any Calpol taken in school needs to be administered and recorded by a member of staff.

Message from Headteacher

Pupils walking home unaccompanied

I understand that, as children get older, they are permitted to walk home from school on their own without adult supervision.

Where I receive reports of poor behaviour choices by children walking home alone, I will contact relevant parents/carers to discuss this and recommend that pupils are accompanied from school for a period of time. We talk a lot to children about shining their lights and encourage them to do this when out and about in the local community, as well as in school.

Staff & Governors' meeting

Staff and governors joined for a productive meeting on Wednesday evening to review the current school self-evaluation and school improvement targets for this academic year.

Representatives from the Governing board worked in groups with lunchtime supervisory staff, administration staff, teaching assistants and teachers to discuss the strengths of our school and contribute to identifying how we can continue to improve aspects of school life.

Parents and carers will also be given opportunity to contribute to this process over coming weeks. The annual parent/carer questionnaire will be launched so we can obtain feedback from you all.

After School Clubs

After school clubs start next week. We are looking forward to seeing our pupils shining brightly in all of the clubs on offer. There is lots going on, with this term's offer including badminton and hockey!

We are planning some exciting clubs for Reception pupils in the spring term. They have settled into school so well and will be ready to engage in lots of extra-curricular activities in January.
