Message from Headteacher

We are always keen to work in partnership with parents and carers. We have got several events planned over coming weeks that families may join us for.

On 10th October from 4-5pm, we welcome families of pupils in Reception to Year four for an interactive Maths event. Teaching methods in Mathematics have changed over time and this can be baffling for parents and carers supporting their children at home. We hope that this event will be enjoyable and informative.

I strongly urge as many parents and carers as possible to attend the My Happy Mind information sessions. These are being held on 15th October from 9-10am and 5-6pm. If parents and carers wish to nominate a grandparent to attend one of these sessions, that is fine. We ask that everyone attending registers via the School Spider survey.

My Happy Mind is a transformational programme which teaches children about how their brain reacts to stress and unfamiliar situations. It is sharply focused on enhancing children's self-image and resilience. Children are taught positive strategies to manage stress, behaviour and their responses.

On 7th November from 4-5pm, we have a phonics information session for families of children in Reception. During this event, parents and carers will be introduced to the phonics programme we use in school, Little Wandle.

This phonics scheme aims to ensure that children become fluent and confident readers as quickly as possible. During the workshop, families will be introduced to the structure of the scheme, told about how phonics learning develops and given information to support early reading development at home.

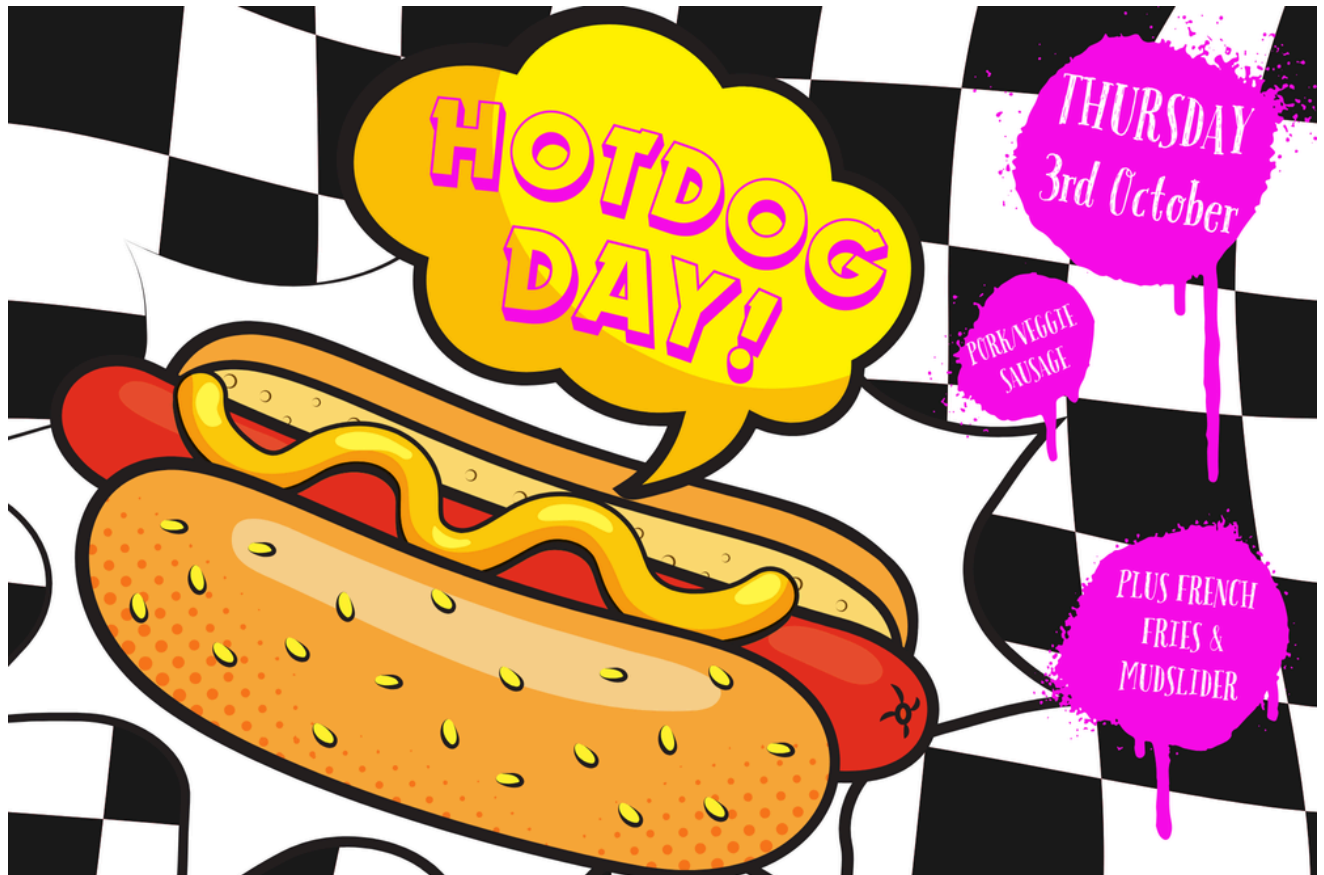

In addition, booking is now open for Parents' Evenings which are being held between Monday 14th October and Wednesday 23rd October. Appointments may be booked via School Spider.

I look forward to welcoming you into school over the coming weeks.

Menu Change

In replacement of the normal menu on Thursday 3rd October, we will be holding an American themed feast! On the menu will be hotdogs (pork/veggie), served with french fries and peas or beans. Dessert will be a Mudslider Cake or a selection of mouthwatering fruit slices! A selection of sandwiches and jacket potatoes will also be available on this day. If your child would like to order a school lunch for this event, there's no need to pre-book; just let us know on the day.

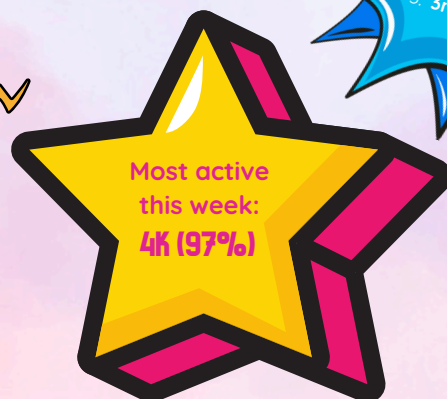

The usual £2.85 cost applies or free for those children in receipt of Free School Meals and for children in Reception and Key Stage 1.

Times Tables Rockstar Champions

The exciting Times Table Rockstars Competition continues!

This week's winners are:

Year 3 Trip

On Friday, Year 3 went to the River Dee for a boat trip. The children were so excited to spot some of the features of the River Dee whilst on the boat. Mr Underhill and Mrs Stirk were so impressed with the behaviour of all the children and it was such an enjoyable and memorable trip. We can't wait to learn some more about rivers and mountains!

Our Spring Term Parent's Evenings will take place before we break up for half-term.

Parents Evening slots can be booked through our website, www.hooleceprimary.co.uk or the School Spider App.

Parents and Carers will need to login to the school website or the app to be able to book a slot. If you have forgotten your login details, please click on the "forgotten password" link to reset it.

The slots are available on a first come first served basis. We emailed step-by-step instructions of how to book a slot to all parents and carers earlier this week.

If you would prefer a telephone consultation at the time you have booked, please make contact with the School Office via email to admin@hooleceprimary.cheshire.sch.uk, so we can check contact details and update records where needed.

School Bank

As part of our commitment to helping children become financially capable, and building on the success of our school bank, we are giving all children in our school family £1 to open a bank account with the Credit Union!

Our hope is that this will encourage all children to become aware of how they have choices with money as well as the importance of saving.

Children who have an account already will also be given £1 for their account. In order to open an account for your child, we will need you to come to school to complete the application process with the Credit Union.

We will be letting you know of the dates and times when they will be in school to open these accounts very soon.

PTA News

Our amazing PTA are on the look out for a new Vice-Chairperson to be part of their team.

We are looking for a dedicated, enthusiastic and organised person so if you fit the bill and would like to volunteer, please email admin@hooleceprimary.cheshire.sch.uk to express your interest.
